APRIL 06, 2026

REPORT

A plantation drive was successfully conducted at GDC BONIYAR in Collaboration with both the NSS Units in the college campus with great enthusiasm and active participation of students and staff. The initiative aimed to promote environmental awareness and encourage the habit of tree planting among young learners. On this occasion, the worthy **Principal Prof. Syed Rehmat Shah** addressed the gathering and highlighted the importance of trees in maintaining environmental balance. He emphasized that planting trees is not just an activity but a responsibility towards nature and future generations. His speech inspired students to take active steps in protecting the environment and to contribute towards a greener and healthier society. Students and teachers planted various saplings within the college premises and pledged to take care of them. The program concluded with a message of environmental conservation and sustainable living. Almost 100 plant saplings were planted by the students, NSS programme Officers, Teaching and Non-Teaching Staff of the college with full enthusiasm and persuaded the students for such activities as a great environmental initiative.
